Sir:

This is a Supplemental submission to the petition under 37 C.F.R. § 1.183 requesting that the USPTO waive the rules and accept the supplemental reissue declaration required by the examiner, and submitted herewith, notwithstanding the lack of execution by the named inventor.

The petition under 37 C.F.R. § 1.183 was filed on April 24, 2008. During a recent telephone conversation with Nancy Johnson, the Petitions Attorney assigned to the Petition filed in the above-captioned application, Ms. Johnson suggested that a supplemental

Declaration be filed, signed by an officer of the Assignee of record. Accordingly, the attached supplemental Declaration is filed herewith, signed by Scott Jaglowitz, Chief Financial Officer of the Assignee of record. Additionally, a Statement Under 37 C.F.R. § 3.73(b) is attached, setting forth the appropriate chain of Title and indicating that Scott Jaglowitz is authorized to act on behalf of the Assignee.

It is believed that the earlier filed Petition is now grantable. Grant of the Petition on an expedited basis is respectfully requested. While a fee is not believed to be required, the Commissioner is hereby authorized to charge any additional fees, or credit any overpayment to Deposit Account No. 50-2929.

Should the Petitions Attorney have any questions, the undersigned may be contacted at the below-listed telephone number.

Respectfully submitted,
ARXX as successor to Jan Henrick Mensen
